EXPERIENCE

Microsoft | Hyderabad, In
FEB 2019 — **PRESENT**

User Experience Designer II

Microsoft Bing | Webmaster Tools

Envision and shaping the next generation Bing Webmaster Tool at Microsoft. Currently focusing on research and case study on AI + Search & ML

Helping webmasters and SEO specialists to improve their website's presence on Bing search. Building capabilities that provide insights and tools for super-fast indexing, page traffic analysis, SEO reports, etc

Adobe | Bengaluru, In
APR 2014 — APR 2019

Experience/Interaction Designer

Adobe XD

Responsible for designing and delivering major product features to shape the next generation of design & prototyping tools at Adobe. Currently working on Adobe XD as an Experience designer on developer handoff & design systems.

Adobe Dreamweaver

My major focus was to be on modernizing Dreamweaver CC for web designers, developers, and students. Key areas: designing a powerful browser-based editing surface, rebuilding the user interface and integrating a powerful code editor.

Adobe Brackets

Redesigning Brackets to solve the complex developer workflows and improving it for modern web development trends at a fast pace.

SapientNitro | Bengaluru, In
NOV 2013 — APR 2014

Interaction Designer

I helped various brands by designing new products to meet people's evolving digital lifestyles.

MasterCard | Harley Davidson | Coca Cola | Wegmans | Sun International | G6 Hospitality | JEEP | MD Anderson

Thomson Reuters | Bengaluru, In
MAY 2012 — Nov 2013

Web Designer/ Developer

I was working closely with FindLaw customer(Attorneys) to design their websites. Responsible for UX design of Westlaw Products.

L2S Training & HR Solutions | Bengaluru, In
MAY 2011 — MAY 2012

Web Designer

I was working closely with the marketing team with various projects like website design, poster design, flyer design, branding and visual graphic designs
